

The Waldorf Astoria Chicago is located in the heart of the chic Gold Coast neighborhood near the most exclusive shops, restaurants and nightlife. Through innovations in service and technology, the 189-room hotel creates a new experience in luxury – energetic and fashion forward; warm and welcoming; fresh and engaging. 80% of our 189 luxury guest rooms are suites. Oversized white Carrara marble bathrooms with soaking tubs, separate showers and dual vanities with inset LCD television. Waldorf Astoria Spa & Health Club expands over a spacious area of 14,000 square feet situated above the open-air courtyard, specializing in personalized services and overall well-being.

Designed by renowned architect Lucien Lagrange, the Waldorf Astoria's architecture is richly detailed to emulate the area of timeless glamour reminiscent of the grand hotels of Paris in the 1920's.
